

MAINTENANCE AND OPERATIONS LETTER

May 13, 2022
G550-MOL-22-0003

TO: All Gulfstream G550 Operators

SUBJECT: Indicating/Recording (ATA 31) - Aircraft Service Change - Digital Flight Data Recorder System Upgrade (88 Parameters)

Due to challenges with the procurement of parts, it has become necessary to temporarily suspend incorporation of Aircraft Service Change (ASC) 002D - Digital Flight Data Recorder System Upgrade (88 Parameters). We are diligently working through these issues with the vendor and will provide notification when the required replacement parts become available.

If you have questions or comments regarding this communication, please contact Gulfstream Customer Support at 800-810-GULF (4853), +1 912-965-4178, or by email at technical.operations@gulfstream.com.

Sincerely,

Lor Izzard
Vice President, Field Support
